Memorandum of Understanding

The purpose of this memo is to ensure that you fully understand the major terms and restrictions of your Deferred Compensation Plan. However, it does not cover all the details of the Plan. Please refer to the Plan Document for specific details. In the event of conflict or ambiguity between the Plan Document and this Memorandum of Understanding, the terms and provisions of the Plan Document will control. I understand and acknowledge the following:

- 1. I understand that my participation in the Plan is governed by the terms and conditions of the Plan Document.
- 2. The product information brochure and fund prospectuses were available to me and can be obtained upon request.
- 3. The total permissible annual deferral amount to all 457(b) plans is currently the lesser of the maximum annual 457(b) contribution limit or 100% of includible compensation, as indexed, per 457(e)(15) of the IRS code. Under certain circumstances, additional amounts above the limit may be deferred into the Plan if (1) I will obtain age 50 or older during the calendar year, or (2) I am within three years of Normal Retirement Age and did not defer the maximum amount in prior years. The Plan Document provides additional details about deferral limits. Deferrals in excess of maximum amounts are not permitted and will be considered taxable income when refunded. It is my responsibility to ensure my deferrals do not exceed the annual limit. Contributions to other Section 457(b) plans may limit the maximum amount I may defer under the Plan.
- 4. I may take a distribution from the Plan only upon severance from employment; at age 70 1/2 (if deferrals have stopped); upon an unforeseeable emergency approved by the Plan; or I may take a one time in-service withdrawal if my account value is \$5,000 or less (as adjusted) and I have not deferred into the Plan for two or more years. In some cases distributions for purchase or repayment of service credits in a governmental defined benefit plan may be permitted. Additionally, funds may be distributed upon my death. All distributions must be in compliance with the Internal Revenue Code and applicable regulations, some of which are expressed in the Plan Document.
- 5. Generally, your distributions must begin no later than April 1st following the year I reach age 70 1/2. If I work beyond age 70 1/2, generally my distributions must begin no later than April 1st following the year I have a severance from employment or retire. Please consult your plan document for further details. All distributions are taxable as ordinary income and subject to income tax in the year received. My distributions must be made in a manner that satisfies the minimum distribution requirements of IRC Sec. 401(a)(9), which currently requires benefits to be paid at least annually over a period not to extend beyond my life expectancy. Failure to meet minimum distribution requirements may result in the payment of 50% federal excise tax.
- 6. The funds in my account may be eligible for rollover to a traditional or Roth IRA or to an eligible retirement plan. The "Special Tax Notice Regarding Plan Payments" provides detailed information about my options. Due to important tax consequences related to distributions, I understand that I should consult a tax advisor prior to requesting a distribution of any kind. I expressly assume the responsibility for tax consequences relating to any distribution, and I agree that neither the Plan nor the Plan Administrator shall be responsible for those tax consequences.
- 7. I understand that I may make changes among the investment options within my account as frequently as daily including exchanging out of the Asset Allocation Funds, but any change may be subject to the restrictions of the plan and/or the investment provider. In addition, some mutual funds may impose a short term trade fee. I understand that I should read the underlying prospectus carefully. Changes may be made by calling 877-677-3678 or logging on to nrsforu.com.
- 8. I understand that I may cancel my enrollment if I contact the Service Center at 877-677-3678 within 10 business days of the signature date of this form.
- 9. Exchanges from and into available variable investment options may be subject to restrictions or limitations established by the investment provider, the Plan or its designated agent.
