City Manager's Office

June 8, 2022

To: All City Employees
From: Ghida S. Neukirch, City Manager
Subject: Ongoing WIN initiative

Dear Colleagues,

Each year the City's Wellness Program ("WIN") is improved and quality programs are arranged based on employee feedback. The WIN Program is managed by the HR Division and the Wellness Committee. The Committee meets four times per year and ensures the program is best serving our employees. Committee members provide information to their respective departments throughout the year. Special thanks to these employees for volunteering on this important committee, and thanks to all employees for your feedback and recommendations throughout the year! I encourage you to contact your committee member if you would like to join the WIN program, have any questions or suggestions on activities, services or any other program information for consideration. This year we welcome Fire Department employees into the program and look forward to their contributions and feedback!

Current Wellness Committee:

- Ashley Palbitska – CMO
- Lara Lukasik – Finance
- Pamela Siegel - Library
- Kelsey Fawell – Community Development
- Amber Kamischke – Police
- Kym Pluta – Public Works
